

CORPORATE PROFILE

Noblehouse International Trust Ltd. (formerly known as Noblehouse International Trust Sdn. Bhd.) founded in 1991, was amongst the pioneers of Offshore players in Labuan when the jurisdiction was declared an International Offshore Financial Centre (IOFC) in 1990.

Labuan International Offshore Financial Centre (IOFC) changed its name to Labuan Business & Financial Centre (IBFC) is being strategically located and in proximity with the major financial centres such as Tokyo, Hong Kong and Singapore, as well as fast emerging markets such as Korea, Taiwan and China, means it is well placed to serve the commercial and financial markets of the Asia Pacific region.

From a humble beginning of only two staff, Noblehouse International Trust Ltd. (Noblehouse) has grown to a staff of thirteen. With a long-standing and established presence, Noblehouse has become a leading provider of *corporate services, secretarial fiduciary and trust, trustee services & foundations* in the jurisdiction.

Mr. Chin Chee Kee
(Executive Chairman)

Over the years, Noblehouse has progressed and become a major service provider in Labuan and remains committed in providing personal attention to each corporate and individual customers. It has since lived up to its reputation as a competent international trust and fiduciary services company that is able to adapt to the latest trends in customer needs for wealth creation and management.

For the International Customer, Labuan is an ideal jurisdiction to structure intermediate holding companies to take advantage of Malaysia's extensive network of double taxation treaties. Labuan is also recognised as a jurisdiction for the establishment and administration of various investment vehicles as well as for structuring special purpose vehicles for capital market transactions.

In addition, Labuan is also the preferred centre for Islamic investment and is becoming a regional captive insurance centre. To date, it is the region's most substantial jurisdiction for Labuan trust and company administration.

For the best in personal attention and uncompromising quality of service in a stable and reputable jurisdiction, let Noblehouse and Labuan IBFC show you where the future of International Financial Centres lay.

SERVICE PHILOSOPHY

In developing our business, Noblehouse maintains a broad spectrum of expertise to draw on. Clients seeking professional assistance from Noblehouse, one of the pioneers of the Labuan trust service industry, are assured of receiving expert advice from an experienced Board of Directors comprising practitioners from the fields of accounting, auditing, tax, law and banking.

This depth and breadth of knowledge, both in-house and out, has facilitated Noblehouse's evolution into a leading offshore financial service provider - not only from a local context but from a global perspective as well. Noblehouse has and will continue to offer a dynamic combination of competitive fees and professional services to all our customers.
